# #foalsN focus

Our second week of #foalsNfocus attracted another group of adorable 2023 foal pictures from breeders across the country. This week's Champion was a fun picture submitted by Alyssa Curry of her filly by Samur out of Clearly Classy (by Master Class). Reserve Champion honors went to a photo of a 15-minute-old colt greeting Hunter Brannan. Owned and bred by Wingswept Farm, this colt is by

Dark Pegasus out of Goodhart's True Enough (by Undulata's Nutcracker).

Voted Top 3 was a photo submitted by Jim Sebring for Bill Haines of a colt and his dam, LPS Endless Love. The colt is by Cherrydale Casanova.

The contest will continue weekly through early June so send your best high-resolution shots to [funkhouser@saddlehorsereport.com](mailto:funkhouser@saddlehorsereport.com) and include the sex of the foal, breeding and owner.
