#FOALS FOCUS

Once again you responded with great shots of our springtime ritual of foaling future champions. This week the competition was so close we had a tie for Top 3.

The Champion is a photo of a filly submitted by David Rand. She is from the first foal crop of the young world champion Ledgfields Jagged Edge, out of Queen's Babydoll. She is bred and owned by Jill and Steve Tassinari.

Reserve Champion honors went to Mary Gaylord McClean who submitted a Samantha Hegstrom photo of a filly by Northern Vegas out of Faded Love.

The Top 3 placing resulted in a tie between a two and a half week old filly kicking up her heels and another filly who was enjoying a romp through the green grass. The first shot was an Andy Illes photo submitted by Christine Nava-Moulthrop. This filly is by Equinox Bossanova GCH out of GW Devil In Disguise. Also earning Top 3, Brandi Bushard sent us the picture of her daughter of Deep Blue and Callaway's After All.

The contest continues, so please email your best pictures of your 2020 foals to funkhouser@saddlehorsereport.com. Please include the sex, breeding and owner.
