

**CHAMPION**  
(Delirium x Show Baby Show)

# #FOALS FOCUS

As the weeks move on the competition keeps heating up for our #foalsNfocus contest. Thank you, to everyone who takes the time to send us their best 2020 foal shots. They truly bring joy to our staff and our readers and more importantly to their breeders.

This week's champion was submitted by Christina Collis who sent a stunning photo of a colt by Delirium (My Magical Moment x Attache's American Pie) with his dam, the Collis family's former world's champion of champions Show Baby Show (by Supreme Heir).

Nancy Becker sent in the photo of this week's reserve champion who is out of her Hall of Fame broodmare, She's In Style who is already the dam of world's champion CH He's In Style, CH The Cat Walk, and He's A Cool Cat, along with three reserve world's champions. This filly is by Callaway's Northern Kiss.

This week's Top 3 is the pride and joy of the Herrin family as Angela submitted the picture of "Finneas," a son of Our Axel Rose and The Next Supreme. Finneas has already gone viral on Facebook with so many shots of him loving his family.

The #foalsNfocus contest continues, so please email your best 2020 foals pictures to [funkhouser@saddlehorsereport.com](mailto:funkhouser@saddlehorsereport.com) and include the foal's sex, breeding and owner.
