- The covered outdoor arena will be used for our dressage, carriage obstacle and reining classes periodically throughout the show. You may work or lunge in that ring as long as we are not holding classes, or setting up for carriage or dressage. A schedule for the outside covered arena will be posted in the show office.
- The official warm up ring, which is immediately adjacent to the show ring, will only be open to horses in the very next class.
- When using the official warm up ring, please respect your proximity to the show ring. There will be no whip cracking, baby powder or noise making allowed.

Protective headgear (See GR801) must be worn by riders in lead line classes at all times while mounted.

## HIGH POINT/SPECIAL AWARDS

**Amateur High Point Award**– Open to all amateur riders and drivers in every division of the show. This award will go to the exhibitor who accumulates the most points on every horse he or she shows, in every

class, regardless of whether it is a class specified for amateurs or not. Every class in every division counts, including the sport horse classes, as well as the performance classes. Amateur exhibitors wishing to participate must sign up at the show office prior to their first class. A list of each class you will show in must be provided at the time you sign up. Classes not on your list will not count toward your total. Only adult amateur exhibitors 18 and over are eligible.

Points will be counted according to the following scale:

1st place-6 points (1st place in a one horse class counts 3 points)

2nd place-5 points, 3rd place-4 points, 4th place-3 points, 5th place-2 points, 6th place- 1 point. The winner of the Amateur High Point Award will receive a championship ribbon, a saddle pad embroidered with the win (donated by Appointments, USA), and the Mirror Lake Farm High Point Amateur Perpetual Trophy, which is an engraved silver tea set. Winners will be expected to engrave their name and the year on the trophy, according to the show's instructions, before returning it prior to the following year's show. Trophy may be permanently retained by winning the award three years in a row. In the unlikely event there is a tie, the exhibitor who has achieved his or her points with the most first place wins will be declared the winner. If that still does not break the tie, the judge will choose the winner.

**Carriage Driving High Point Award-** Every horse shown in the carriage driving division will accumulate points in each class according to the following scale: 1st place-6 points (1st place in a one horse class counts 3 points), 2nd place-5 points, 3rd place-4 points, 4th place-3 points, 5th place-2 points, 6th place- 1 point. The horse with the most points wins. In the event of a tie, the highest placing horse in the reinsmanship class will prevail.

**Dressage High Score Award-** The High Score Dressage Award, one for western and one for traditional must show and complete at least two tests. The winner for each (Western and Traditional) will be calculated by averaging each horse's scores from their top two classes. In the event of a tie, the horse with the highest individual score will prevail.

**Reining Champion-** Every horse shown in any of the reining classes at the show will accumulate points according to the scores they achieve. The highest total of scores added is the champion. In the event of a tie, the horse that has achieved the single highest score in any of their classes will prevail.

**Best Performance of the Show Award-** At the end of the show, the judge will select one horse that he believes made the most exceptional showing of the week. The winner of this very special award will receive a beautiful, mounted wire horse statue made by artist Danny Williams, and donated by Diane Garrow.
