HEALTH PAPERS

All Illinois horses more than 12 months of age are required to have a negative Coggins test for EIA within the last 12 months. All out-of-state horses more than 12 months of age must have a negative test for EIA within the past 12 months and be accompanied by a Certificate of Veterinary Inspection or Health Certificate issued within the past 30 days. Foals by their dam's side do not need a Coggins, however, their dam must have a valid Coggins test. The Jubilee Regional Championship Horse Show is not required to check for testing. NOTE: The State of Illinois requires that all out-of-state horses have an Entry Permit Number (See below).

ENTRY PERMIT NUMBER REQUIRED FOR EQUINE ENTERING ILLINOIS

Effective February 1, 2004, all equine entering Illinois (for any reason other than slaughter) must be accompanied by a negative test for EIA conducted within a year if the animal is more than one year of age, certificate of veterinary inspection (health certificate) issued by an accredited veterinarian within 30 days of entry, and an entry permit number issued by the Illinois Department of Agriculture. This new requirement comes on the heels of the Monkey Pox and Mad Cow reports and is part of a nationwide attempt to track the movement of livestock, including horses, throughout the country.

Entry permit numbers are available by calling the Illinois Department of Agriculture, 217-782-4944 and are issued 24 hours a day, seven days a week. Permit numbers are also available online at www.agr.state.il.us. A password to access the permit program is required and will be issued to veterinarians by calling the Illinois Department of Agriculture, Bureau of Animal Health, 217-782-4944 weekdays, 8:00am-4:30pm. The following information will be required for the entry permit number:

- Name and mailing address of the owner of the animal;
- Date of the EIA test;
- Location where the animal is going.

EXHIBITOR INFORMATION

THERE IS NO CHARGE FOR OBTAINING AN ENTRY PERMIT NUMBER FROM THE ILLINOIS DEPARTMENT OF AGRICULTURE.

Please note: A certificate of veterinary inspection and entry permit are not required for equine residing in Illinois full time. Illinois equine traveling out-of-state on an Illinois Certificate of veterinary inspection are not required to obtain a permit to return home. Exception: if an Illinois equine is out-of-state longer than 30 days, a certificate of veterinary inspection issued by the state where the animal was residing and an entry permit will be required, as that animal is no longer recognized as being an Illinois native animal.

For equine only: The entry permit number is good for 30 days (the life of the health certificate). It is requested that if the health certificate is used for multiple entries (i.e. county fair racing, trail rides, shows on several weekends, etc.) that all events during the 30 day period be included on the health certificate. If an event is not listed on the health certificate, the owner is asked to call the Department, provide the permit number and provide the location of the additional event(s). We recognize that this may be a hardship on those racing at the county fairs and would suggest you include on the health certificate any and all fairs that you might enter during that period of time.

In accordance with the Illinois Diseased Animals Act (510 ILCS 50/1 and the regulations pertaining thereto 8 Ill. Adm. Code 85), violators of the permit number requirement are guilty of a business offense and shall be fined not less than \$50 nor more than \$1000. Violators of the EIA test and certificate of veterinary inspection requirements (health certificate) are subject to a \$300 fine for the first violation, a \$600 fine for the second violation, and a \$1000 fine for the third and subsequent violations. Animal Health Investigators will check for proper permits and certification. Illinois State Police also have the authority to ask for proper documentation.

If you have questions, please contact: Illinois Department of Agriculture, Bureau of Animal Health, Administrative Building, State Fairgrounds, Springfield, IL 62794-9281; or call: 217-782-4944; TDD 217-524-6858; FAX 217-524-7702.

No refunds of entry fees will be made without a Vet's certificate.

All owners must provide their Social Security numbers on their entries in order to receive potential prize money. Winnings will not be paid without these numbers.

JUDGING PROCEDURE

The Morgan Weanling Gala will be conducted in two rounds with three Judges officiating. Each round will be scored separately and no scores will carry over from round one to round two.

USEF rules will prevail.

FIRST ROUND

In the first round, each foal will show individually.

A random drawing will be held on the day preceding the class to determine the order of appearance of each foal. Any owner or trainer who is showing more than one entry and draws consecutive spots will be given a new draw.

After entering the ring, each foal will have up to two minutes in which to be judged. The entry shall be judged standing and then at the trot. The handler then has the remainder of the two minutes to show the entry to its best advantage. At the end of the time allotment, the entry must immediately leave the ring.

Each entry must be waiting at the in-gate for its turn. Any entry showing out of order will have 5 points per judges' card deducted from their score.

In Round One, each judge may award a numerical score from 1 to 100, 100 being the highest score.

After each entry has shown, the three judges' scores will be added together to arrive at a final Round One score for the entry.

The top ten scoring entries (eleven if there is a tie for 10th) will advance to round two. All scores from both rounds will be posted on the day following the class.

When the final entry has been judged, show officials will tabulate the scores. The top ten scoring weanlings (eleven if there is a tie for 10th place) will be asked to return for Round Two.

ROUND TWO

After a short break, the ten foals (eleven foals if there is a tie for 10th place), will be asked to return to the ring for final judging in Round Two.

These entries shall enter the ring in random order. These entries will then be judged in order of line up, both standing and at the trot.

In Round Two, one judge will be designated as the call judge and the Majority Opinion System will be used.

After all entries have been judged, the judges may ask to compare certain entries before marking and signing their cards.

The judging cards will then be tabulated and Champion through 10th place will be awarded in reverse order.

ENTRY LIST

A numerical list of entries, order of appearance, sire and dam listing, and owner/handler information will be provided to the exhibitors and spectators by the Morgan Weanling Gala.

JUDGES SELECTION

The judging selection will be determined by the Jubilee Regional Championship show.

The two primary judges hired by the horse show plus a third judge hired shall officiate the Morgan Weanling Gala class.

REGISTRATION

Any entry placing 1st through 10th in the Morgan Weanling Gala class must be registered with the American Morgan Horse Association. If the entry is not yet registered, it will be DNAed immediately following the class. This DNA may be used in the registration of the entry. The DNA fee and any applicable veterinary fees will be deducted from that entry's prize money. All prize money recipients will have to be DNA verified if they are not previously registered. No payout of awards can be made until all ten winners have been registered with AMHA.

NET PAYOUT

The prize money payout will be determined by the number of stallions nominated for each year's program and will be paid to the top ten winners and their sires as described below.

Prize money will be awarded after all ten winners have been registered with AMHA.

The total amount of prize money paid to the Top Ten placings shall be the sum of the Sire Nomination Fees received in that year ("Payout"). The Payout is distributed among the Top Ten placings according to the fixed Percentages indicated below with a fixed amount paid to the Sire Nominator and the variable balance paid to the Weanling.

The percentage distribution is as follows:

Placing	Percentage	Less Sire Nominator
Champion	27.5%	\$1000

3	15.0%	\$250
4	10.0%	\$250

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in headline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
