\* A member can pay any number of nomination Fees at \$20 and each one makes ONE of your horses/juniors eligible for Tri-State year-end awards. However, each of your horses earns individual points. We are requesting you to name the horses you plan to show - you don't have to pay a NOMINATION FEE for all of them unless you wish to. This listing is to help our point-keepers with their year-end tallies.  
 If you are showing more than one horse (but only paid one Nomination Fee) and because of showing success, each of your horses earns enough points to qualify for a year-end award - only your ONE "best horse" will actually win an award (determined by highest points and/or class standing). If you want every horse you own to be eligible for year-end awards, you must pay the \$20 Nomination Fee for each horse.  
 - Nominations can be made any time during the year, however, points will only count from the date your Nomination Fee is received. For instance, if you've made only one nomination and later in the season decide you'd like two horses to be eligible for awards - ONE horse will earn points only from the date the second Nomination Fee was received.  
 - If horses shown in Equitation Classes are to be eligible to earn points in other classes, i.e. Park Horse, a Horse Nomination Fee must also be paid for that horse.  
 - Equitation and Schooling/Academy Division Nominations must be Tri-State members. If under 18, they may be covered under a family membership.  
 - If a horse is owned by more than one person, ALL owners must be paid Tri-State members (except husband/wife/juvenile 17 & under). However, only one Nomination Fee need be paid.  
 - If a horse is sold which has already earned points during the show season - the new owner must be a paid Tri-State member. Points will then follow the horse to the new owner.
