## RANCH PLEASURE

**No Cross Entering is allowed between Ranch Pleasure Classes and any pleasure class at this show. Cross entering is allowed between Ranch Pleasure, Western and Reining.**

**Ranch Pleasure Classes will follow the following specifications:**

**PURPOSE** - The purpose of Ranch Pleasure Classes are to reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a working ranch horse who works outside the confines of an arena. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse should not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations.

Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure Horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform the optional maneuvers.

**APPOINTMENTS** –For suitable appointments see MO132. Protective headgear is permitted and not required to be of Western Style (see GR801).

### RULES –

1. Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
2. The required maneuvers will include the walk, jog, and lope both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back.
3. Three optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk jog, or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.
4. The maneuvers may be arranged in various combinations with final approval by the judge.
5. The overall cadence and performance of the gaits should be free-flowing and ground covering, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.
6. There is no specified time limit.
7. Summer Daze 2017 will use Pattern #2 (posted at [www.summerdazemorgan.com](http://www.summerdazemorgan.com))
8. Posting at the extended jog is acceptable.
9. Riders may touch or hold the saddle horn.
10. The use of hoof polish, clipping the ears, bridle path, fetlocks or facial hair is not encouraged but is not penalized.
11. Appointments with silver will not be counted over a good working outfit.

## PENALTIES

A contestant will be penalized each time the following occurs:

### ONE (1) POINT PENALTIES
