# #foalsNfocus

The submissions for our #foalsNfocus photo contest continue to pour in with a wide variety of photos received for this week. Selected as the Champion was a Janelle Schroeder photo of a beautiful Morgan filly named Atwood Kantara. She is by Treble's Chrome Plated CH out of Atwood Heliotrope. She is owned and bred by Randal Donelson.

Reserve Champion honors went to an adorable photo of a 10-day-old colt with

co-owner May Chadick and his dam, Not Born At Night. Heidi Cole is the other co-owner of the Leatherwood's Bourbon Reserve foal. Oh my, what a face for our Top 3 winner. Submitted by Louise Gilliland for owner/breeder James Vantrease, this colt is by Winsdown Xanadu out of The Rose Reflection.

Email your high-resolution entries to [funkhouser@saddlehorsereport.com](mailto:funkhouser@saddlehorsereport.com) and include the sex of the foal, the breeding and the owner.
