(Art Of The Deal x CH Callaway's Nachele)

#foalsNfocus

Week two of the 2021 #foalsNfocus photo contest provided another group of impressive foals from the American Saddlebred and Morgan worlds. It also found Stachowski Farm on top again.

This week's winning photograph was taken by Jimmy Stachowski and submitted by his mom, Shawn. The colt named Impressive Deal is sired by Art Of The Deal out of world's champion of champions CH Callaway's Nachele (by Callaway's Blue Norther). Reserve champion honors went the photo of a foal by EKL Shakedown out of FRF Girl Crush (by Pondview Tres Bien). This colt is owned by Michael Lee Fisher and the photo was submitted by Tuffy Owens. Top 3 in this week's contest went to Steve Gordon's entry of a colt by Undulata's Perfect Storm out of Amberwood's Coco Chanel, who is a daughter of El Dorado's Stonewall Jackson.

Thank you, to all the breeders for their dedication to raising the next generation of champions. The #foalsNfocus contest will continue weekly over the next month and a half. Email your entry to funkhouser@saddlehorsereport.com and include the sex of the foal, the breeding, and the owner.
