#FOALS N FOCUS

The grass is greener (and longer), the flowers are blooming, the trees are budding and babies are bouncing everywhere. Another week of #foalsNfocus brought us several great photos from proud breeders across the country.

This week's winner might be one of the all-time greats for the cuteness factor as Richmond DeHart introduced his daughter Aurora to "Brett," a colt by Noble Braveheart out of Fabulous One. Proud mom, Jessica Moctezuma DeHart submitted the photo.

Reserve Champion honors went to a photo of Grey Ridge Farm's majestic son of Riverdreams Black Pearl and Vegas Lady, Grey Ridge's Black Mamba. Susi Day sent us this photo.

Rounding out the Top 3 prize winners this week was a picture submitted by Wendy Gossage. This three-day-old filly by Merriehill After Hours out of For Elise is owned by Kathy Sheppard-Jones.

The contest continues through the month of May so send your best 2020 foal pictures to funkhouser@saddlehorsereport.com and include the sex of the foal, the breeding and the owner.
