

UNSUNG HEROES *Of The Industry* MILES

HOW DID MILES BECOME A PART OF YOUR LESSON PROGRAM?

A wonderful customer, Debra Walters, sent him to Milestone to let us use as a lesson horse. He has been a hit with every rider ever since he came to the barn. Ask any rider who their favorite lesson horse is and I bet they say Miles. He even came to us with the name MILES!

DESCRIBE A TYPICAL WEEK IN THE LIFE OF MILES:

Miles does it all. He does our most advanced riders to our walk and trotters. He is a king at pattern work! His most favorite job of all is packing the walk and trotters and building their confidence. His typical week includes lessons during the week and play time in the bullpen on his days off. He is spoiled rotten. He will bang on his door for treats if he sees one of his barn mates getting more attention than he is. His favorite time of day is letting the kids learn to groom him.

WHAT ARE HIS GREATEST ATTRIBUTES FOR BEING AN UNSUNG HERO IN YOUR PROGRAM?

Miles is so versatile! He will do absolutely anything he is asked! He will do lunge lessons, figure work, or teach a little bitty! Miles travels to almost every show with Milestone and helps prepare our riders for their show mounts. He gives it 110% each time! His best attribute is that he can be so calm for a young rider or pretty spunky for a more advanced rider. He has the biggest heart and the kindest soul. One look into his soft brown eyes and he will melt your heart. If we need to build the confidence of a rider with a gentle horse, Miles is the go to.

ANY OTHER COMMENTS?

We are so lucky to have this fantastic Morgan and so many other precious lesson horses. The lesson horses are the foundation of the Milestone riders. We cannot thank them enough for their countless hours of work they put in for us and for teaching us so many skills. We love them all so dearly and many would not be the riders they are today without them, so for that THANK YOU to all the Milestone lesson horses.
