

UNSUNG HEROES

Of The Industry

BRODY

HOW DID BRODY BECOME A PART OF YOUR LESSON PROGRAM?

He is owned by Emily Chapman and when she finished school in Kentucky, she came home to Arizona. She gave us Brody to lease to someone. That person was Tatum Luevano and they had a great career together. When that lease ended, Emily asked us to find him a job so he became an amazing lesson horse in our program.

DESCRIBE A TYPICAL WEEK IN THE LIFE OF BRODY:

He gives multiple lessons per day including driving lessons. His role is once a rider is skilled enough to be off the lunge line, he is the horse they step up to. He is the horse we use to introduce someone to cantering. He is also fully equitated so the advanced riders can ride him and polish their skills and he was used in 2019 for the Saddle Seat World Cup Competition.

WHAT ARE HIS GREATEST ATTRIBUTES FOR BEING AN UNSUNG HERO IN YOUR PROGRAM?

He takes care of riders and is safe for all levels but he can sense a rider who is more skilled and he adapts to their riding style and skills. He is versatile and we can use him for saddle seat and hunt seat.

ANY OTHER COMMENTS?
