

UNSUNG HEROES

Of The Industry

JORGE

HOW DID JORGE BECOME A PART OF YOUR LESSON PROGRAM?

I originally selected him for a customer in 2013, sold him in the barn a few times to various performance riders then purchased him for my show horse lease program. When his last lease ended he went into the academy program.

DESCRIBE A TYPICAL WEEK IN THE LIFE OF JORGE:

Jorge is one pampered and spoiled horse . He teaches one lesson a day on Tuesday, Wednesday, Friday and Saturday. He gets supervised turnout or lunged on his days off.

WHAT ARE HIS GREATEST ATTRIBUTES FOR BEING AN UNSUNG HERO IN YOUR PROGRAM?

First and foremost Jorge has the best personality and will do anything for a peppermint. He sucks his tongue for about 30 minutes after eating one. To ride him is to always learn something. He is completely equitaded and is the master at teaching riders how to correctly use a bridle and effectively signal and time a canter. He's trustworthy and dependable. He gives the rider exactly what they ask for, nothing more, nothing less. No tricks to Jorge. He will give you 100% IF you ask correctly. My advanced riders can make him look like he's winning anywhere, but he will safely carry and teach any novice riders. He was an emergency, last minute substitute at Academy Nationals this year, his first time going. He happily took every rider through to Sunday and Top 10.
