## *Of The Industry*

### RUDY

#### HOW DID RUDY BECOME A PART OF YOUR LESSON PROGRAM?

WROBLE: My mom and dad bought him from Fonzie Del Rio and Karen Brandl about 15 years ago. Karen recommended him because she knew he would safely carry the tiny tots.

#### DESCRIBE A TYPICAL WEEK IN THE LIFE OF RUDY:

He does two lessons per day, each are half an hour, and he always carries the littlest riders. He gets a day off every chance we have and we always make sure he knows he is loved. He is the one who will carry the girl scouts when they come visit or carry that older lady who comes to ride a horse. For those who want to check that off their bucket list, he is the favorite.

#### WHAT ARE HIS GREATEST ATTRIBUTES FOR BEING AN UNSUNG HERO IN YOUR PROGRAM?

He has never been a fancy show horse. He was meant to be an academy horse because he loves kids and even though he wears a full bridle, he always takes care of his riders.

#### ANY OTHER COMMENTS?

He is such a special guy. He loves to be told he is beautiful! My mom tells him that every day so now he expects it. He loves to be thanked for doing a good job.
