#foalsN focus

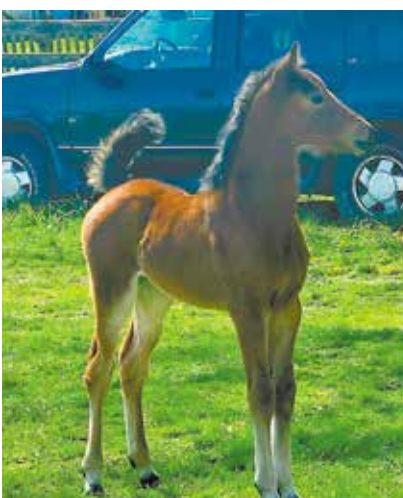

As we get deeper into foaling season, the pictures keep coming from all across the country and the cuteness factor remains off the charts.

The top prize from this week's submissions goes to a Jacob McGlaughlin photo of a colt by The Ascension out of Gypsy Moth. This looker is owned by Jan McGlaughlin. Reserve champion honors belong to a Christine Thomas photo of a filly by Tango's Daylight out of Undulata's Nut House. She is owned by Vickie Byrd. Rounding out the Top 3 was a photo by Terri Anne Ullman of a filly by Superfly out of the top gaited mare, Divergent. She is pictured with her recipient mare. Barbara Goodman Manilow is the owner/breeder.

Keep sending in your best foals of '21 photos to funkhouser@saddlehorsereport.com as the program still has another month to go.
