

SADDLE HORSE REPORT'S CLASS OF 2020

Olivia Dapolite

CARY, NC

CARDINAL GIBBONS HIGH SCHOOL

OVER THE YEARS of riding and showing horses I have learned the value of hard work and patience. The most rewarding feeling in the world is setting a goal and slowly reaching it until you finally break through! I realized that when riding nothing is "perfect" and setbacks are needed in order to succeed. This has helped me to face challenges straight on and push through them even if they take time. I have applied this drive to not just my riding, but my academic career as well. Growing up riding has not only shaped my values but taught me important lessons that I can apply in college!
