

Ashley Creekmore

ROANOKE, VA

CAVE SPRING HIGH SCHOOL

THROUGHOUT MY show career I have learned the importance of staying humble in success, and gracious in defeat. I have learned that failure should not be seen as a setback, but rather as an opportunity to improve. I have also learned to never settle, as there is always something I can do to get better. Most importantly I have learned to never lose perspective of how fortunate I am to have an opportunity like this in my life.
