NORTHERN GUILFORD HIGH SCHOOL

I FEEL THAT I HAVE learned so much from my riding career as a whole. I can use the stuff that has been taught to me through life itself whether that be school, a job or just daily life. Riding has taught me how to be patient and determined. These are two very important qualities that can be used in the upcoming years that I'm going to be faced with in college. I'm so grateful to have had the best instructors!
