

# Katelyn Rieger

DES MOINES, IA

**VALLEY HIGH SCHOOL**

**I HAVE LEARNED SO MUCH THROUGH** my years of riding. It has taught me about humility, love, work ethic and family. I have learned to find the positive in everything and to work for my goals. Attending college will test me in every way, but riding and showing have prepared me for any obstacle I may face. Showing has taught me that life can be unpredictable but you just gotta roll with the punches!
