**RIDING AND DRIVING HAS  
TAUGHT ME** so many life skills  
that I will never forget. From  
working at the barn, riding a horse,  
or being in a buggy, I've become  
more responsible, hard-working,  
and patient. I would not be the  
person I am today without any of  
my instructors, barn family, or  
four-legged companions.
