### HOW DID DASH BECOME A PART OF YOUR LESSON PROGRAM?

He was adopted from Saddlebred Rescue. Dash has been with us for 8 years.

### DESCRIBE A TYPICAL WEEK IN THE LIFE OF DASH:

He enjoys morning turnout time with his buddies and then teaches two lessons per day, five days a week. He is valuable to us as a beginner/intermediate horse. Dash handles adult beginners, intermediate WT riders and is our “go to guy” for teaching folks how to canter. He’s also wonderful for giving lunge lessons on.

### WHAT ARE HIS GREATEST ATTRIBUTES FOR BEING AN UNSUNG HERO IN YOUR PROGRAM?

He is extremely patient and kind yet gives riders different challenges to handle.

He never goes off-site to a show and doesn’t get blue ribbon glory, yet he is vital to the show ring preparation of our academy riders. He is a confidence builder and is one of the favorites of our summer campers.

### ANY OTHER COMMENTS?

Dash could be the “poster child” for the Saddlebred Rescue program. He and another of our lesson horses (Mars) are former Amish buggy horses but quickly recalled their early under saddle training and fit into our system within a couple of months of their arrival. These two follow in the footsteps of several other truly wonderful horses that have come to us from SBR.
